Dear Ms. Dortch:

TEXALTEL and Logix Communications met with Matt Brill, Senior Legal Advisor to Commission Abernathy regarding the ongoing proceeding for permanent unbundling rules. In the meeting, TEXALTEL and Logix Communications explained the importance of maintaining various modes of competitive entry, the importance of DS1 unbundling, the need for any viable test to assure that meaningful alternative providers be available before a UNE is removed, and the importance of transition mechanisms. Representing TEXALTEL was Charles Land, Executive Director and representing Logix Communications was Howard Siegel and Matt Asmus.

Sincerely,

/s/ Sheri Hicks
